

# HELPED A REAL ESTATE GIANT WITH WORKPLACE MODERNIZATION USING OFFICE 365 SOLUTIONS

## Success Story

**INDUSTRY:**  
Real estate

**OFFERING:**  
Office 365

### COMPANY PROFILE

The client is the largest commercial real estate developer in India. The company has a unique business model with earnings arising from development and rentals. Its exposure across businesses, segments and geographies, mitigates any down-cycles in the market. With about 25 million square feet of leased office space spread across India, they ome.

## IT LANDSCAPE

- The clients' Active Directory and Exchange 2010 are running on IBM servers and are also managed by IBM.
- The client has 2000 users and offices in various cities

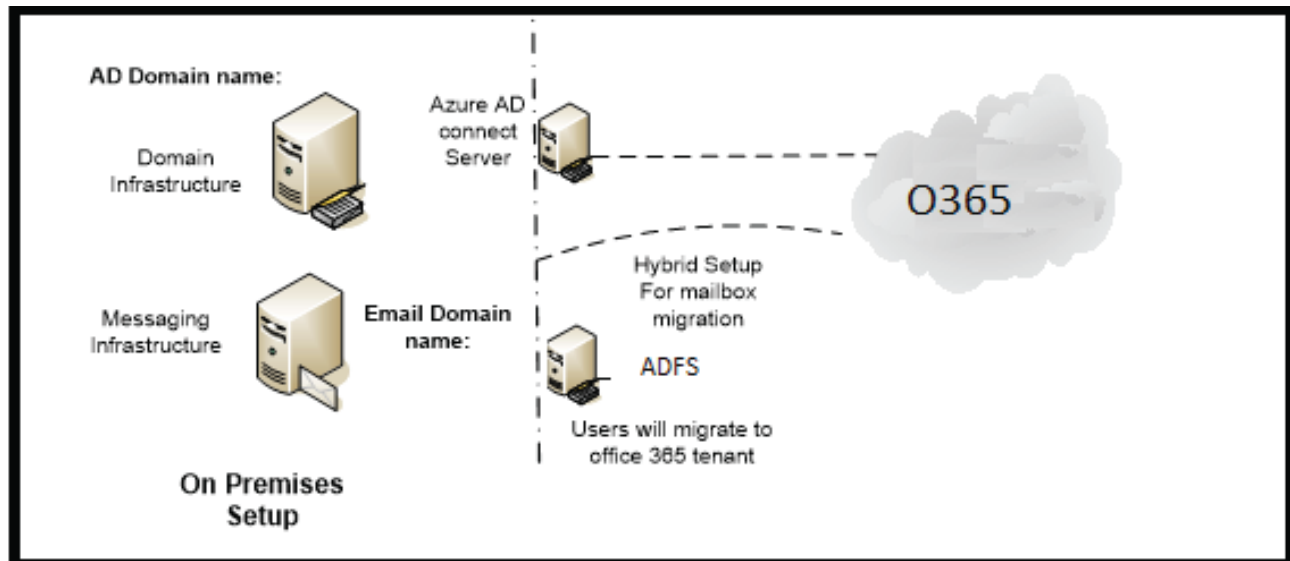

## KEY BUSINESS CHALLENGES

- On-Premises servers are needed to be decommissioned as the existing contract was about to end.
- Divergent versions and numerous management hassles
- The Exchange 2010 is also not compatible with the new products and features of Office 365

## SOLUTION

- Reconciling of the User's mailbox data.
- Rebuilding the user's list of mailboxes to eliminate costs of additional mailboxes which would not require licenses, like group or room mailboxes.
- Exporting of User's data to PST and later plan the import of the PST's into user mailboxes.
- Setup of ADFS servers and Synchronization with On-Premises DC.
- Migration of mailboxes, assigning licenses and setup of Office Suites.
- Configuring Data Loss Prevention policies.
- Configuring and managing the Advance Threat Protection to provide security to Mailboxes.

## SOLUTION ARCHITECTURE

## BENEFITS

- Decreased cost of managing mailboxes.
- Centralized management of Email services
- Centralized control over user mailboxes, better management, reduced downtime, better SLA.
- Control over Data Loss, reduced backup costs, reduced loss of Intellectual Data, decreased loss of money due to lost emails and personnel issues.
- Increased security with Advanced Threat Protection for all mailboxes.
- Decreased cost of upgrading Office Suite licenses to latest versions.
- More options for workplace productivity with Skype for Business and One Drive.
